## WOMEN BORN 1873 TO 1881

Now Is the Critical Time.  
**Lydia E. Pinkham's Vegetable Compound** will help  
You Safely Through

Convey, Ohio. — During the Change of Life I was weak and run-down and could hardly do my work. By reading your advertisement I found out about Lydia E. Pinkham's Vegetable Compound and it has straightened me right out and made me feel like a new woman. By the time I had taken a couple of bottles I was well and could do my housework on the farm without trouble. I recommended it to my daughter-in-law after her second baby was born and it did her a wonderful lot of good. I told her to try it and if it didn't help her I would pay for it, and before she had taken one bottle she said to me, "You won't have to pay for it! It is helping me wonderfully!" And she took three bottles of it. You can use my testimonial if you wish. — Mrs. ELISABETH ACKERMAN, Convey, Ohio.

Consider fully Mrs. Ackerman's letter. Her experience ought to help you. She tells of the trials of middle age and the wonderful results obtained from Lydia E. Pinkham's Vegetable Compound.

**SEEK MORGAN HUSKERS FOR STATE CONTEST**  
F. A. Fisher, Morgan County Farm Adviser yesterday mailed out notices to members of the Farm Bureau of the State Corn Husking contest that takes place shortly. Mr. Fisher is anxious to find a speedy husker who will represent Morgan county in the husking bee that each year attracts many farmers. If several winners of the husking bee will enter the contest a local husking tournament will be held.

The rules governing the contest are given below:  
1. See who can husk the most pounds of corn in one hour and twenty minutes, deductions of 2 pounds to be made for every pound of corn left in the field.  
2. Four ounces of husks shall be allowed to 100 pounds of ear corn. Deductions shall be made at rate of 3 percent for each ounce in excess of the four ounces. Let's try to get one to represent us. The winner last year was from Montgomery County and husked between 31 and 42 bushels in the one hour and twenty minutes.

The State prizes are as follows: 1st, \$100; and the medal, 2nd, \$50; 3rd \$25; 4th, \$15; 5th, \$10.

**TROTZKY IS FORCED TO TAKE LONG REST**  
MOSCOW, Oct. 12. (By Associated Press) — Leon Trotsky, his health undermined by his strenuous labors at the economic cracks assigned him in his return to Moscow five months ago, has been compelled again to relinquish active participation in the soviet regime.

Already the former war chief of the Bolsheviks is on his way to South Russia, whence he returned in May after an "exile" which began in January. His physicians have ordered a complete rest to mend a breakdown which has resulted from working at high pressure ever since he was made chairman of the general congress committee last May 27. He is going to Kislovodsk, a small health resort in the Caucasus where he is expected to spend a vacation of several weeks. Trotsky has been devoting himself intensively to ambitious plans for the dissemination of electric power throughout all Russia, and to work out ways and means for improving the quality of Russian manufactured articles. He has been eager also to revive his former political prestige and to win his way back to the esteem and good will of his old associates in the soviet government and the Communist party. To this end he has bent his utmost efforts to make a success of his task as head of the congress committee.

## NAME COMMITTEE FOR MEMORIAL EXERCISES

Prominent Alumni to Help Honor  
Wm. Jennings Bryan—President  
Rammekamp Initiated.

With Hon. H. H. Bancroft as chairman and ex-Governor Charles Bryan, former candidate for the vice-presidency, as one of the members, Sigma Pi society of Illinois College last night appointed the committee of fifteen which is to arrange for a great Bryan memorial meeting to be held here some time during the winter.

The dates upon which Bryan made his first appearances as a politician, an orator and an essayist come in December, January and February, and it is on one of those dates that the meeting will be held. The meeting, which will probably be held in the banquet room of the new hotel, will in all probability be addressed by nationally known men, the committee having several such leaders in mind.

The committee appointed consists of fifteen members, five coming from the active membership of the society and ten from the alumni. The six members of Bryan's class will serve as ex-officio committee members. The committee follows:

H. H. Bancroft '96, chairman; Charles W. Bryan, ex-Whipple Academy, of Lincoln, Nebraska; Enslay Moore '68, Jacksonville; James M. Meeks '89, Danville; John A. Barber '91, Springfield; Wm. H. Slater '93, Jacksonville; Geo. Deweese '79, Jacksonville; Dr. George E. Baxter, '96, Chicago; Harry J. Dumanagh '99, Chicago; Fred C. Coleman, '01, New York City; Harold Brown '26, Greenfield; Paul Schroeder '26, Carrollton; George Adams '27, Jacksonville; Raymond Stearns '27, Canton; Sam Osborne '28, Jacksonville.

The members of the class of 1881 who are to be ex-officio committee members are: Granville Hugett, Springfield; Jeremiah Donohue, Decatur; Charles G. Rutledge, Chicago; Francis W. Stewart, Princeton.

During the regular meeting which preceded the business session the following excellent program was rendered:  
Declarations: Wood, "The Frogs," by Aristophanes; Spencer, "A Day of Our Country," by Long; Leaders: Buckner, "The Deacons Courtship," Clark, "For the Benefit of the Clergy," Winter.

Essays: Kemp, "Bring them to Illinois," Petefish, "Sewage Disposal."

Adams, Loew and Stearns extemporized on "Jacksonville's Centennial." Mr. Stearns brought out a number of interesting points by comparing the local celebration with that of his home town, Canton.

President Charles H. Rammekamp was unanimously voted in to honorary membership and was initiated.

After seven and one half minutes recess the society reconvened for a business session during which Bryan Memorial meeting plans were discussed, the committee was appointed and an amendment to the constitution was passed which will increase the membership of the society slightly.

After the last roll and the singing of the society song Sigma Pi adjourned to meet at a date set by the secretary. The next meeting will have the semi-annual election as a feature.

## EXPLAIN CAUSES AND CURES FOR DISEASES

ST. PAUL, Minn., Oct. 12. (By Associated Press) — Explanation of causes and cures of diseases that afflict the human race consumed the opening day of the convention of the Interstate Post-graduate assembly of America here today.

Dr. Carl D. Camp, professor of neurology at the University of Michigan in his paper on "Emotions causing disease" told the gathering of doctors from all corners of the United States that psycho-analysis was not a fad but a science. Purely emotional reactions can actually cause organic disease and changes in physiological structure he declared. Diet, rather than drugs, is the cure for anemia, Professor Charles B. Williamson, professor of medicine at the University of Illinois, told the doctors, citing a series of experiments to prove his point.

Dr. Fred A. Collier, assistant professor of surgery at the University of Michigan, voiced the belief that in cases of adenomatous goitre in patients over 25 years old, prophylactic surgery is the only cure.

Blindness when caused by infection of the paranasal sinuses which become infected and spread infection to the optic nerve, are due to the sinus lying too close to the optic nerve, Dr. Hagan W. Loeb, dean and professor of Ear, Nose and Throat diseases at St. Louis declared. The only way to get at the condition he indicated, was by surgery.

## WRONGED HUSBAND TO STAND BY HIS WIFE

ST. LOUIS, MO., Oct. 12 (AP). — Asserting he would "stand by her until this case is over," Leonard H. Hoffman, wholesale fur dealer of Chicago, departed for home tonight after causing the arrest of his wife, pretty 23 year old Margaretta Hoffman, and a gray-haired middle aged man, J. V. Weidemeier, as they alighted from a train here today.

Hoffman made this statement to C. M. Crooks, assistant United States district attorney, after Crooks, acting on information supplied by Mrs. Hoffman, had issued a warrant charging Weidemeier with violation of the Mann act by transporting the woman from Chicago to St. Louis.

Weidemeier, who described himself as a motion picture producer and who had \$25,500 in currency in his possession when arrested, was released on \$5,000 bond. Preliminary hearing was set for October 28. Mrs. Hoffman was placed under \$500 bond to appear against him as a government witness.

Promises of a movie career caused Mrs. Hoffman to leave her husband and a luxurious home at Chicago, she said. Mrs. Hoffman tonight remained at the home of her parents who are St. Louisians.

# Pirates Turn Tables On World Champions

## Take Game 6-3; Count Now Stands 3 and 2, Senators

WASHINGTON, Oct. 12. (By the Associated Press)—The fury of the Pirate attack, hitherto somewhat of a fable, became a reality today for the first time in the world's series.

On the crest of it, the National League Champions came back when their hopes seemed lost, knocked Stanley Coveleskie out of the box and captured the fifth game of the championship struggle by a margin of 6 to 3, while the strong armed and stout hearted Vic Aldridge hurled his second triumph over the Senators in brilliant fashion.

It was a sensational comeback on the part of the Buccaneers, who had seemed headed for quick defeat after their third defeat and shutout yesterday at the hands of Walter Johnson. Tonight, as the warring forces departed for Pittsburgh and the sixth game there tomorrow there was a rosier hue to the Pirate cause.

Must Take Two Straight

Bill McKee and his young stalwarts still must take two straight games to gain the world's championship honors for the count still gives the Senators the edge at three games to two, but their batting rampage today has brought about a startling revival of Pittsburgh hopes. These hopes were further brightened by the wreckage that this savage Pirate attack left in the pitching ranks of the Senators. Four Washington moundmen altogether felt the reckless blows of their young rivals, Zachary as well as Coveleskie being knocked out of the box, while Ballou and Marberry were rushed out in an attempt to check the sweeping advance of the invaders in the last three innings.

Bucky Harris lost the play with his big ace, Coveleskie and now faces his fight for one more victory with a badly battered hurling staff. For tomorrow he must use either Alex Ferguson, who was credited with the third game victory after being walloped a bit by Dutch Rueter, veteran southpaw and the only regular who has not gone to a firing line where the Pirates are supposed to be fatal to portersiders.

May Go Seven Games

With this prospect it may be that the issue will go to the limit of seven games with the final hopes of the Senators resting again on their great veteran, Walter Johnson, who finished his second victory yesterday with an injured right leg in baseball parlance a "charley horse"—and would be taxing even his great strength and heart to win again with only two days rest.

Today, before a big crowd of close to 36,000 that again included President and Mrs. Coolidge, Pirate bats that had been silent for the most part thus far broke thru the barrier with knowledge that defeat meant final elimination.

Probably the major share of the throng came out for Washington put the finishing touches to a second successive world's championship which seemed in the capital's grasp once more after a brilliant attack and defense had all but overwhelmed the National League champions. But instead they saw an aroused young Pirate crew, with the glint of determination in their eyes, smash all before them in a succession of fiery drives.

Coolidge Leaves

The first fan of the land, President Coolidge, did not stay to see the whirlwind finish of the Pirates but even when he was called away by a diplomatic engagement in the third inning, he had seen enough to convince him that it was Pittsburgh's day. For it was the third inning that first saw the onslaught in full swing.

There was a revival of Washington hopes in the fourth when Joe Harris, slugging out his third home run of the series into the left field stands, tied the score, but the National League broke thru in the seventh and were never headed after that.

## New Plan For Rating Grid Teams Favored

URBANA, Ill., Oct. 12. —The Dickinson football rating plan is winning favor all over the United States.

This system was devised by Frank G. Dickinson, of the faculty of the University of Illinois, an ardent follower of the game, at the close of the 1924 football season in the western conference when many sports-followers believed that the percentage system in general vogue in the Big Ten was not an equitable method of determining championships.

The faults of the percentage system used in the Big Ten are manifest. The teams do not all play each other as in baseball and some play harder schedules than others.

By the Dickinson system, all the teams considered in a rating are divided into two groups. The first division comprises all the teams which win more games than they lose, which gives them percentage of above .500 for the season. The second division is composed of all the rest—those having percentages of .500 or under. Every victory over a first division team counts 30 points. Every victory over a second division team counts 20 points. This naturally rewards the team which plays the hardest schedule. Of course the final rating cannot be given until the last game is played but a temporary rating can be given every Saturday night.

The percentage system considers a tie game just as if it never had been played—an obvious injustice to some team which ties another good team. In the Dickinson system the teams which tie, split the winning and losing points.

The best way to understand the Dickinson system is to rate the Big Ten teams in 1924 under its provisions. It will be remembered that the 1924 Big Ten season was peculiar because of the unusual number of tie games.

The teams in the Big Ten in 1924, which won more games than they lost were Chicago, Illinois, Iowa and Michigan. Chicago won

## BERLENBACH WINS FROM KING SOLOMON

POLO GROUNDS, New York, Oct. 12. (AP)—Fighting his first important heavyweight bout, Paul Berlenbach, light heavyweight champion, this afternoon scored a technical knockout over King Solomon of Panama in the ninth round of a ten round match, the main event of a show promoted by the National Sports Alliance. The referee halted the match to save Solomon from further punishment after he had been knocked down three times in the eighth.

Joe Colmars, New York featherweight, substituting on a short notice for Johnny Dundee, fought Babe Herman of California to a ten round draw in the semi-final bout. Dundee withdrew after a disagreement with promoters.

Sid Terris, lightweight, was awarded the decision over Jack Bernstein of Yonkers in another ten round go.

## STRANGLER LEWIS TO MEET JIM MCMLLEN

URBANA, Ill., Oct. 12. (AP)—Ed "Strangler" Lewis, claimant of the world's heavyweight wrestling title will his title against Jim McMillen, all-American captain of the University of Illinois football team in 1922 and heavyweight champion of the Big Ten the following spring, in a match here next month, it was announced tonight.

Jim Brown, local promoter, has the signatures of both Lewis and McMillen for the match and is attempting to arrange a date for a night before one of the important football contests here.

McMillen became a professional wrestler shortly after his graduation from the university but was out of competition for a time because of an injury. He has fully recovered however, and many of his followers believe he will treat Lewis as did Munn in his first match with the champion. Munn, who came from the University of Nebraska was also a

## HILLTOP CREW IS OUT IN FULL FORCE

Blue and White Squad Prepares for Lake Forest Game Next Saturday—Seconds Book Game With Blackburn.

The conquering Illinois footballers took to the gridiron last night with all hands on deck. The Illinois grid machine has chalked up two wins and a tie and are going to make things interesting for the Lake Forest team, when they lock horns with them this week-end.

Although the heavier Normal team pierced the Illinois line, Coach Harmon is looking forward to the game this week-end with much anticipation. The Lake Forest crew last Saturday took the Michigan Aggies for a 6 to 0 drubbing, which will show the class of teams that the Illinois aggregation is taking on this season. The Foresters have won two games this season, walking on the Chicago Y. M. C. A. team for a 13 to 0 score.

Coach Harmon went over the plays of the last Saturday encounter, and showed the boys where they made their mistakes. However, he praised the team for the improvement they have made since the Lincoln affair, but warned them that they would have to make more in order to hold their present standing in the conference. Last Saturday's game makes the third battle for the Hilltop crew, as they had not been crossed in the two previous en-

## 'BEAT IOWA' IS CRY OF ILLINI GRIDMEN

URBANA, Ill., Oct. 12. (By Associated Press)—"Beat Iowa," was the cry in the Illinois football camp today as the varsity began practice for their first conference game against the Hawkeyes Saturday at Iowa City. Coach Zuppke sent his men thru a light workout and drilled them on fundamentals. The practice field was wet and fumbles were numerous, especially when the regulars went thru a signal drill against the second team. The first string lineup was the same as that used in the earlier game, with the exception of Coolidge at left guard for Kild who injured his shoulder in practice Friday. Stub Muhl, varsity end who has been out with a bad ankle, reported that he expects to be in uniform by Wednesday.
